COMPANY OVERVIEW

FORMED NOV 2024 · LAFAYETTE, LA

Patterson Projects & Logistics, LLC (PPL) is an SBA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) headquartered in Lafayette, Louisiana. PPL delivers turnkey office furniture solutions, physical distribution and management consulting, freight planning, warehousing, and facilities and site support for federal, state, and commercial clients. We combine military logistics discipline with executive supply-chain leadership to provide responsive, accountable contract execution.

CORE COMPETENCIES

SIX INTEGRATED SERVICE DISCIPLINES

01 OFFICE FURNITURE — FEATURED

Turnkey sourcing, delivery coordination, space planning, and certified installation of systems furniture, workstations, casegoods, and ergonomic seating for federal and state administrative facilities.

02 FREIGHT ARRANGEMENT — PRIMARY NAICS

Freight network design, carrier-selection advisory, shipment planning, route optimization, transit scheduling, and specialized coordination for multimodal, heavy, and over-dimensional cargo.

03 MANAGEMENT & LOGISTICS CONSULTING

Physical distribution consulting, logistics network design, workflow optimization, and administrative management advisory to increase operational throughput and reduce supply-chain risk.

04 FACILITIES & SECURITY SUPPORT

Comprehensive facilities maintenance coordination, post security planning, staffed guard services, and electronic surveillance/access control systems via licensed, vetted subcontractor partners.

05 WAREHOUSING & STORAGE

Secure short- and long-term warehousing, commercial storage for palletized materials, equipment staging, inventory tracking, receiving, and scheduled release management.

06 OIL & GAS SITE PREPARATION

Site clearing, grading, excavation, access-road preparation, and heavy equipment/pump mobilization coordinated through qualified regional subcontractors and equipment partners.

PAST PERFORMANCE & EXECUTIVE TRACK RECORD

30+ YEARS COMBINED LEADERSHIP

U.S. Navy Logistics Management — Military Past Performance

COMMANDER, NAVAL AIR FORCE PACIFIC FLEET (COMNAVAIRPAC)

CEO Brent Patterson managed fleet logistics and inventory distribution programs operating across multi-site commands with accountability for over $300M in annual operational funding.

Global Energy & Capital Project Logistics — Commercial Past Performance

BLUE WATER SHIPPING A/S — SENIOR VP & MANAGEMENT BOARD MEMBER

Directed domestic and international capital project logistics, scaling Americas business from <$10M to >$300M in annual turnover across energy, mining, power, and data center markets.

Industrial Manufacturing & Global Supply Chain — Operational Past Performance

TRITON INDUSTRIES & SUPREME THREAD PROTECTION

EVP Tucker LaVergne scaled global distribution of patented industrial technologies across 6 continents, optimizing high-level financial structures, procurement pipelines, and asset deployment.

DIFFERENTIATORS

- **SBA-Certified SDVOSB & VOSB:** Statutorily eligible for federal SDVOSB set-aside and sole-source contracts under FAR 19.14 and 13 CFR 128.
- **Turnkey Dealership Partnership:** Strategic partner owns an established commercial office furniture dealership, enabling rapid, competitively priced specification and installation.
- **Owner-Led Accountability:** Direct executive oversight on every project with single-point-of-contact project-management discipline.
- **Micro-Purchase Ready:** Structured to accept Government Purchase Cards (GPC) for simplified acquisition thresholds.
- **Gulf Coast Strategic Base:** Strategically located in Lafayette, LA with established logistics and industrial supplier networks across TX and LA.
